

NEWS RELEASE

Congratulations to our Straight ‘A’s Graduates!

30 November 2006, Singapore – Informatics, a provider of quality lifelong learning services is proud to announce its latest list of Straight ‘A’s graduates for its diploma programmes from the Faculty of Infocomm Technology and Faculty of Business.

“I am very happy with my results. I would really like to thank the lecturers for their support and guidance. The revision classes conducted by the lecturers have been very helpful indeed. I am currently doing my International Advanced Diploma in Computing and hope to then pursue my bachelor degree. I have not decided which university I would opt for but it will definitely be through Informatics.” Andy Julius, straight ‘A’s graduate - Diploma in Computer Studies.

We are also doubly proud as we have among our ‘A’ list graduates our very first Straight ‘A’s graduate from Nepal for our newly launched Networks and Cybersecurity programme.

Congratulations to all!
