CORPORATE GOVERNANCE REPORT

Board Composition and Guidance

Principle 2: The Board has an appropriate level of independence and diversity of thought and background in its composition to enable it to make decisions in the best interests of the Company.

The Board consist of four members, comprising one Non-Executive Director, one Executive Director and two Independent Directors. Their profiles are in the section on Board of Directors of this Annual Report. Membership of the Board Committees are as follows:

Name of Director	Appointment	Date of Initial Appointment	Date of Last Re-election	AC	NC	RC
Dato' Sri Robin Tan Yeong Ching	Non-Executive Chairman	22 June 2011	27 July 2017	Member	Member	Member
Mr Yeap Beng Swee, Philip	Non-Executive, Independent Director	19 July 2018	18 July 2019	Chairman	Member	Member
Professor Lai Kim Fatt	Non-Executive, Independent Director	19 July 2018	18 July 2019	Member	Chairman	Chairman
Ms Yau Su Peng	Executive Director	23 November 2012	18 July 2018	-	-	-

Provision 2.1

Under Provision 2.1 of the 2018 Code, an “independent” director is one who is independent in conduct, character and judgement, and has no relationship with the Company, its related corporations, its substantial shareholders or its officers that could interfere, or be reasonably perceived to interfere, with the exercise of the director’s independent business judgement in the best interests of the Company.

Rule 210(5)(d) of the SGX-ST Listing Rules also sets out circumstances under which a director will not be independent.

The Board adopted the definition of the 2018 Code and the SGX-ST Listing Rules of what constitutes “independent” in its review of the independence or otherwise of each Director (“Independent Director”).

Provisions 2.2 and 4.4

The independence of each Director is assessed and reviewed annually by the NC. In its deliberation as to the independence of a Director, the NC considered whether a Director had business relationships with the Group, and if so, whether such relationships could interfere, or be reasonably perceived to interfere, with the exercise of the Director’s independent judgements. Each Independent Director is required to complete a Director’s Independence Form annually to confirm his independence based on the provisions as set out in the 2018 Code and the SGX-ST Listing Rules. The Directors must also confirm that there exist no conditions that would impair his independence. This declaration of independence is tabled before the NC and, if accepted, the director’s independence is then recommended by the NC to the Board. Taking into account the views of the NC, the Board is satisfied that Professor Lai Kim Fatt and Mr Yeap Beng Swee, Philip are independent in the light of the provisions of the 2018 Code and Rule 210(5)(d) of the SGX-ST Listing Rules.

CORPORATE GOVERNANCE REPORT

There are two Independent Directors out of a total of four Directors, hence the Independent Directors represent 50% of the total Board membership. Provision 2.2 of the 2018 Code states that Independent Directors shall make up a majority of the Board where the Chairman is not independent. The NC and the Board, after extensive deliberation and observation, are of the opinion that there is a strong element of independence in the Board to exercise objective and balanced judgement on the Group's corporate affairs, and meet the current requirements of the Group's business. The matters requiring the Board's approval are discussed and deliberated with participation of all the Directors and decisions are made collectively without any individual or small group of individuals influencing or dominating the decision-making process. Nevertheless, the Board will continue to review the composition of Independent Directors should there be expansion or significant changes to the scope, nature and/or requirements of the Group's business.

Provisions 2.3 and 2.5

The Non-Executive Directors constitute more than half of the Board. The Independent and Non-Executive Directors had constructively challenged and contributed to the development of both the Group's short-term and long-term business strategies. Their views and opinions provide different perspectives to the Group's businesses. Where appropriate, the Independent and Non-Executive Directors would also meet without the presence of Management.

Provision 2.4

The Board's policy in identifying Director candidates is primarily to have an appropriate mix of members with complementary skills, core competencies and experience for the Group, regardless of gender. The Board comprises Directors who as a group, provide an appropriate balance and diversity of skills, experience and knowledge of the Group. The Board also collectively have the necessary mix of experience and core competencies such as accounting and finance, legal expertise, business and management experience, industry knowledge, strategic planning experience to contribute to the effective strategic leadership of the Group. In recognition of the importance and value of gender diversity in the composition of the Board, out of the four Directors, one is a female Director. The female gender therefore represents 25% of the total Board membership. In terms of age diversity, one Director is between the ages of 60 to 69, representing 25% of the total Board membership, two Directors are between the ages of 50 to 59, representing 50% of the total Board membership and one Director is between the ages of 40 to 49, representing 25% of the total Board membership.

Chairman and Chief Executive Officer

Principle 3: There is a clear division of responsibilities between the leadership of the Board and Management, and no one individual has unfettered powers of decision-making.

Provisions 3.1 and 3.2

There is a clear segregation of the roles and responsibilities between the Chairman and Executive Director, which ensures a balance of power and authority for independent decision making.

The Chairman, Dato' Sri Robin Tan Yeong Ching, is a Non-Executive Chairman who oversees the overall business and bears the responsibility for the workings of the Board. He leads the Board discussions and ensures that Board meetings are convened and conducted appropriately. He approves the agendas for the Board meeting and ensures the quality, quantity and timeliness of the flow of information and encourages constructive relations between the Board and Key Management Personnel to facilitate efficient decision making.

The Executive Director, Ms Yau Su Peng, takes a leading role in developing the overall business of the Group and manages the day-to-day operations of the Group with the assistance of the Chief Operating Officer, Mr Allan Maxwell Norton. She also oversees the execution of the Group's business and corporate strategy decisions made by the Board.

The Chairman of the Board and the Executive Director are not related to each other.

CORPORATE GOVERNANCE REPORT

Provision 3.3

Provision 3.3 of the 2018 Code requires the appointment of a Lead Independent Director to provide leadership in situations where the Chairman is conflicted, and especially when the Chairman is not independent, to act as an available channel for shareholders when normal channels of communication with the Chairman or Management are inappropriate or inadequate.

The Board is of the view that the appointment a Lead Independent Director is not necessary as the Independent Directors, which constitute half of the Board are able to lead and resolve situations where the Chairman is conflicted. The Independent Directors also ensures that all Directors act in the best interest of the Company as a whole and not of any particular group of shareholders or stakeholders. The shareholders have access to the Board and the Company has always responded to queries raised by the shareholders. The absence of a Lead Independent Director has not and is unlikely to affect the shareholder's accessibility and communication to the Board. Nevertheless, the Board will annually examine the need for the appointment of a Lead Independent Director, and will make such an appointment where appropriate.

Although no Lead Independent Director was formally appointed, the Company's Independent Directors conferred among themselves to be available to shareholders where they have concerns and for which contact through the normal channels of communication with the Chairman or Management are inappropriate or inadequate.

Board Membership

Principle 4: The Board has a formal and transparent process for the appointment and re-appointment of directors, taking into account the need for progressive renewal of the Board.

Provisions 4.1 and 4.2

The Board has established a NC comprising three Non-Executive Directors, the majority of whom, including the NC Chairman, are independent:

NC Chairman: Professor Lai Kim Fatt (Independent Director)

Members: Mr Yeap Beng Swee, Philip (Independent Director)
Dato' Sri Robin Tan Yeong Ching (Non-Executive, Non-Independent Director)

- In making recommendations, the NC will undertake a process of review of the retiring Non-Executive Director's performance during the period in which the Non-Executive Director has been a member of the Board.

The above process will be reviewed periodically at the discretion of the Board.

With effect from January 1, 2019, all directors, including executive directors, must submit themselves for renomination and re-appointment at least once every three years, in accordance with Rule 720(5) of the SGX-ST Listing Rules.

The NC also considers whether the Board Committees have fulfilled their roles and discharged tasks delegated by the Board.

The NC had reviewed the multiple board representations held by the Directors and their confirmations that they are able to devote sufficient time and attention to the matters of the Group. The NC also noted the Directors attendance in relation to the Board and Board Committee meetings held during the Financial Period. The NC was satisfied that the Directors have been able to devote sufficient time and resources to the affairs of the Group. As such, the Board does not think that it is necessary to set a maximum number of listed board representations that any Director may hold.

Individual Director's feedbacks on the Board and Board Committees are also considered.

Board Performance

Principle 5: The Board undertakes a formal annual assessment of its effectiveness as a whole, and that of each of its board committees and individual directors.

Provisions 5.1 and 5.2

The NC pays particular attention to the efficient and effective operation of the Board in guiding Management. Issues such as whether the Board has spent appropriate amount of time deliberating on the long-term strategy and performance of Management, and the assistance to Management in setting clear and well understood policies and action plans were reviewed. Brainstorming sessions were also organised for the Board members and Management to discuss the overall business directions and planning and to focus on common objectives.

The NC undertakes annual evaluation process of the performance and effectiveness of the Board as a whole and the Board Committees as well as the contribution of individual Directors to the effectiveness of the entire Board. The criteria taken into consideration by the NC include contribution and performance factors such as attendance, preparedness and participation. These criteria will be changed when it is deemed necessary and approved by the Board. The NC is satisfied that the Board as a whole and Board Committees had met the performance objectives in the Financial Period and each Director has contributed to effective functioning of the Board and sufficient time and attention has been given by the Directors to the affairs of the Company, notwithstanding that some of the Directors have multiple board representations and other principal commitments.

CORPORATE GOVERNANCE REPORT

REMUNERATION MATTERS

Procedures for Developing Remuneration Policies

Principle 6: The Board has a formal and transparent procedure for developing policies on director and executive remuneration, and for fixing the remuneration packages of individual directors and Key Management Personnel. No director is involved in deciding his or her own remuneration.

Provisions 6.1 and 6.2

The Board has established the RC to deal with remuneration matters. The RC comprises three Non-Executive Directors, the majority of whom, including the RC Chairman, are independent:

RC Chairman:	Professor Lai Kim Fatt (Independent Director)
Members:	Mr Yeap Beng Swee, Philip (Independent Director) Dato' Sri Robin Tan Yeong Ching (Non-Executive, Non-Independent Director)

The RC is guided by its terms of reference which sets out its responsibilities. The RC is responsible for making recommendations to the Board on:

- (a) a framework of remuneration for the Board and Key Management Personnel;
- (b) terms of appointment and the specific remuneration packages for each director as well as for the Key Management Personnel; and
- (c) disclosing performance measures and targets for Key Management Personnel's performance bonuses.

Provisions 6.3 and 6.4

The RC considers all aspects of remuneration, including but not limited to Directors' fees, salaries, allowances, bonuses, options and benefits-in-kind. The RC reviews the fairness and reasonableness of the remuneration package of the Executive Director and Key Management Personnel to ensure that there is no overly onerous or generous termination clause.

The RC has access to expert advice on human resource matters whenever there is a need to consult externally. The RC determined that there was no need to seek such expert advice for the Financial Period.

Level and Mix of Remuneration

Principle 7: The level and structure of remuneration of the Board and Key Management Personnel are appropriate and proportionate to the sustained performance and value creation of the Company, taking into account the strategic objectives of the Company.

Provisions 7.1 and 7.2

It is the Company's policy to ensure that the level of remuneration is appropriate to attract, retain and motivate the personnel to run the Group successfully. The remuneration of Key Management Personnel is structured so as to link rewards to corporate and individual performance. The Company's risk policies are also taken into account. From time to time, remuneration packages of employees are reviewed to ensure that they are sufficiently competitive. A compensation system is in place to reward employees based on merit and performance through annual merit service increments and bonuses. In view of the challenging market and business conditions, the Company was not profitable for the Financial Period. Hence, the Executive Director and Key Management Personnel were not entitled to performance bonuses.

CORPORATE GOVERNANCE REPORT

Service agreement for the Executive Director was entered with the Company on 20 October 2014 with no fixed appointment period and do not contain onerous termination provisions. Directors' fees are recommended by the Board for approval by the shareholders at the Company's AGM.

There are no contractual provisions for the Company to reclaim incentive components of remuneration from the Executive Director and Key Management Personnel in exceptional circumstances of misstatement of financial results, or misconduct resulting in financial loss to the Company. The RC is of the view such claw back provision are not necessary as the variable components of their remuneration package are moderate.

Provision 7.3

The Company recognises the need to pay competitive fees to attract, motivate and retain Directors without being excessive to the extent that their independence might be compromised.

The RC will submit its recommendation on the remuneration packages (including Directors' fee, salaries, allowance, bonuses, options and/or benefits-in-kind) for each Director for endorsement by the Board. No Directors are involved in deciding his or her own remuneration. If a member of the RC has an interest in a matter being reviewed or considered by the RC, he or she will abstain from voting on that matter.
